

Micon Automation Systems Pvt. Ltd.

<http://www.temperaturecontrollerindia.com/>

We are distributor and supplier in a commendable range of process control instrumentation & communication products, paperless recorders and panels. In addition to this, we provide instrumentation and automation solutions.

Know Us

Established in the year 2006, we, “**Micon Automation Systems Private Limited**”, are an eminent organization engaged in manufacturing and supplying a comprehensive range of **Process Control Instrumentation & Communication Products, Paperless Recorders and Panels**. The offered product-array holds several incomparable features such as high performance and longer service life. Furthermore, product-gamut which we have come up with is being manufactured by making use of premium quality required raw material and components, procured from the established vendors of the industry. Product-array, which we offer complies with the defined parameters of the industry, radiating its high standards.

Apart from above, we excel in providing instrumentation and automation solutions such as automation designing, instrumentation designing, automation implementation, instrumentation implementation, automation installation, instrumentation installation, automation erection, instrumentation commissioning and automation commissioning.

We are backed by a team of diligent professionals, which leaves no stone unturned to execute entire business related activities in a streamlined and fruitful manner. Team working with us, precisely execute entire production and managerial related activities, which enables us to actualize goals of the organization. Apart from above, we have constructed a sound infrastructure set up which have been provided with requisite latest technology and amenities, that enable us to meet bulk demands of the clients. We are being acknowledged for our fair business policies and clients-centric approaches. Aforementioned are the prime factors that have enabled us maintain confidence of an immense base of clients which also includes ISRO, Ahmedabad, Gujarat, Vedanta Aluminum Limited, Orissa, GHCL, Veraval, Gujarat.

Under the proficient guidance of our mentors, **'Mr.**

Factsheet

Year of Establishment : 2006

Nature of Business : Exporter, Distributor, Wholesaler, Trader, Retailer,
Service Provider, Importer

Total Number of Employees : 11 to 25 People

Primary Competitive Advantage : Experienced R & D Department
Large Product Line
OEM Capability
Good Financial Position & TQM
Large Production Capacity
Provide Customized Solutions

Contract Manufacturing : OEM Service Offered
